Lab: Pie Chart Report

A pie chart report shows a pie chart of issues for a project/filter grouped by a specified field. This helps you see the breakdown of a set of issues, at a glance.

Generate a Report

To generate a report, the user should follow the steps given below.

Step 1 − Go to Project → choose the Specific project. Click on the Report icon on the left side of the menu. Go to 'Issue Analysis' section and click on Pie Chart Report as shown in the following screenshot.

Pie Chart Report

Shows a pie chart of issues for a project/filter grouped by a specified field. This helps you see the breakdown of a set of issues, at a glance.

Step 2 − Select Project or issue filter for which to generate the report. In the Statistic Type, select the field name on which the pie chart will be formed.

The following screenshot shows how to generate a report by providing details.

Configure - Pie Chart Report

Description:
Shows a pie chart of issues for a project/filter grouped by a specified field. This helps you see the breakdown of a set of issues, at a glance.

Project or Saved Filter

Change Filter or Project...

Sample Scrum Project
Project or saved filter to use as the basis for the graph.

Statistic Type

| Assignee | ∨ |

Select which type of statistic to display for this filter
